

AFISCOOTER SE MOBILITY SCOOTER

The Afiscooter SE has redefined the meaning of 'cool'.

It is a large all terrain mobility scooter and its design is often likened to that of a Harley Davidson motorbike. It also excels in comfort, style and safety systems. The Afiscooter SE is extremely easy to use and can handle any tough surfaces due to its reinforced steel chassis. It has a rear power unit for added driver stability, suspension and shock absorbers.

The Afiscooter SE has become an icon and is clearly one of the most sporty and stylish mobility scooters on the market.

Features:

- Reliable electronic command system
- Comfortable seat with adjustable armrests
