

# Comet Alpine+

CHALLENGE THE OUTDOORS WITH POWER, CONTROL AND STABILITY

For those who enjoy adventures across terrains too challenging for a traditional scooter, the Comet® Alpine+ offers the perfect solution. Its robust and powerful driving characteristics gives you the freedom to discover the great outdoors with minimal effort in continuous comfort and safety.

Yes, you can.®

# Comet Alpine+

As part of the Comet family, the Comet Alpine+ comes packed with all of its well-known safety features and customisation capabilities, offering a reliable, powerful and stylish scooter.

- Powerful and robust
- Excellent outdoor capabilities
- Safety at its core

The Comet Alpine+ offers excellent maneuverability and power without compromising safety and style. Thanks to its powerful motors and superior suspension system, the Comet Alpine+ lets you challenge the great outdoors with minimal effort and complete control.

Vital components are protected from water and dirt thanks to the in-built anti splash guards. Directional stability keeps you moving in a straight line and automatic speed reduction to slow you down when driving round corners.

## Features

LCD dashboard for clear, easy to read information.

Seat suspension module offers additional comfort by adding an optional seat suspension.

Seat riser electronically increase the seat height to achieve a preferred driving height.

An optional off board charger allows you to conveniently charge the batteries away from the scooter.
