

## ***LUNAR 3 SMALL MOBILITY SCOOTER***

The Lunar 3 is a compact & well-designed Mobility Scooter, which easily dismantles into four lightweight pieces.

The Lunar 3 has solid rubber tires, to ensure trouble free scootering. The Lunar 3 is great for maneuvering around in tight spaces, due to its three-wheel design.

If you are wanting a lightweight pull apart scooter, then the Lunar 3 is a fantastic budget friendly option.
