

PEGASUS METRO MOBILITY SCOOTER

All round comfort, safety and performance; the new and improved Invacare Pegasus Metro mobility scooter is one of the most reliable mobility scooters at Lifestyle Mobility. Features include automatic speed reduction (ASR) on bends which reduces the risk of tipping, speed reduction button for built up areas like supermarkets and independent suspension which delivers a safe and smooth driving experience. This stunning mid sized scooter has a range of up to 54Km's on one charge, now that's impressive!

Features:

The suspension system has been designed to navigate a variety of everyday surfaces and terrains.

In addition to a unique lighting system, the Pegasus METRO is equipped with an electronic speed reduction feature that automatically reduces speed around bends.

A two-step disengaging lever prevents the scooter from free-wheeling if it is knocked out of drive mode.

Electronics and the motor are protected from corrosion and water which safeguard the vital workings of the scooter against dirt

preventing any unnecessary malfunctions.
