

TREK SUNRIDER MOBILITY SCOOTER

Defining what a mobility scooter should be, the Trek Sun Rider boasts power, agility, comfort and a dynamic driving experience.

Finally you do not have to worry about weather forecasts, with the Sun Rider you can go where you like when you like, free of ponchos and sunblock. The remarkable Sun Rider provides protection from the elements without compromising performance or comfort.

You can also purchase optional multi-purpose side curtains. These can be installed in seconds providing you with the choice of all weather protection, flow through ventilation and UV protection or a combination of all. Simply roll up the door or rear side panels to suit the weather conditions
